Terms and Conditions

Premier Transport expects each Day Trip to be operated as advertised but reserves the right without notice to vary or cancel any Day Trip at their discretion. Any Day Trip can be cancelled should there be insufficient customer demand making it uneconomically viable to operate. On occasions it may be necessary to allocate a smaller vehicle other than a standard coach. In the event of any major or significant variation or cancellation of the trip you may either continue with the tour as varied, accept an alternative that we may offer, or cancel the booking and receive a full refund of monies paid.

Admission to Attractions

Admission charges to attractions are not included in the cost of the tour unless otherwise indicated. Please ensure therefore that before buying your admission ticket for an excursion that indicates coach travel only that the excursion will definitely be operating.

Cancellations

You may cancel your ticket up to 48 hours prior to departure and receive a refund but it will be subject to a 20% cancellation charge (except in the case of Harrogate Spring and Autumn Flower Shows or the Knitting and Stitching show in Harrogate where admission tickets have already been pre - paid, in this instance you would only be entitled to a refund on the travel portion of the ticket). To obtain your refund your ticket must be returned or presented to the office where it was originally purchased from. **No refunds will be given for any tickets cancelled within 48 hours of departure.**

Child Fare and Unaccompanied Children

The child fare is from 3 to 14 inclusive. Children under the age 14 will not be permitted to travel alone unless accompanied by an adult (18 years). Children under the age of 3 are carried free of charge but are not allocated a seat and are expected to sit on their parent/guardian's lap. This is your responsibility.

Conduct of Passengers and their Responsibility

Premier Transport reserve the right to remove any passenger who is abusive or disruptive to others. Our driver/representative has the right to request you and any other offending members of your party to vacate the vehicle. Should this happen, your contract with Premier Transport will end immediately and you will have no right to claim liability against the company or be entitled to any refund. It is your responsibility to ensure you are at the correct pick up point at the correct time. Premier Transport cannot be held responsible for any loss of expense incurred by passengers who arrive late at any departure point.
